BMW Manual Download Instructions

Please use bellow instructions only if you have ordered a MANUAL from www.workshopmanuals4all.co.uk

Please go to:

https://www.secured-drive.com/workshopmanuals4all

Change language to English

Use the following login details (please dont share this)

USER: bmw

Password: bmw_user

After login, select all 3 folders: BMW TIS, BMW ETK and BMW Diagram and click on MULTIPLE DOWNLOAD just bellow the selected folders.

A Java applet will start and you just need to click the DOWNLOAD button. The applet supports download resuming so if the connection drops it will resume from the point it was interupted.

Note: Please try to use Internet Explorer on this operation.

The applet supports download resuming so if the connection drops it will resume from the point it was interupted.

After download finishes just use the software with bellow specification.

For BMW TIS - run BMW TIS.EXE (double click)
For BMW ETK - run ETK (Lokal).EXE (double click)

For BMW Diagrams - this is an iso wich you can emulate with DAEMON TOOLS (free) or burn it on a DVD
